

NOTICE TO RESIDENT

Road Resurfacing Projects in Ottawa East 2021 East Urban 2 Resurfacing – Jeanne d’Arc Boulevard Contract No. CP000603

CONSTRUCTION

May 2021

Dear Resident,

COVID-19 is an unprecedented situation and the City of Ottawa is committed to protecting people and the community. The Province of Ontario has allowed certain businesses and workplaces, including all municipal construction projects, to continue operations subject to compliance with strict public health and safety protocols. The City is working closely with the industry and complying with restrictions and recommendations provided by municipal, provincial and federal health officials, as well as the Ministry of Labour, Training and Skills Development.

In 2021, there is approximately **\$45 million** for roadway renewal and upgrading rural roads. The City’s road resurfacing program rehabilitates and improves the driving surfaces of Ottawa’s roadways. Localized repairs to both curbs and sidewalks, along with accessibility improvements and updates, are also part of the program.

For more information about road renewal, please visit Ottawa.ca/constructionmap

As part of the City of Ottawa’s annual infrastructure maintenance cycle, road resurfacing will occur along **Jeanne d’Arc Boulevard** to improve this roadway and the overall citywide transportation network.

Online Townhall

Given the community interest and potential future impacts of this, and future work on Jeanne d’Arc Boulevard, Innes Ward Councillor Laura Dudas **will be hosting an online information session** for residents with city staff to explain the project and the future of Jeanne d’Arc Boulevard in more detail.

When: Thursday, June 3, 2021, 6:30 to 7:30 pm

Where: The townhall will take place online via Zoom

How: Participants can register by contacting the Councillor’s office at Laura.Dudas@ottawa.ca

Jeanne d’Arc Construction Project

What: Work will involve milling of the existing surface, selective sidewalk and curb repairs, iron adjustments, installation of self-leveling iron work in wheel paths and resurfacing of the roadway. Increased noise levels and vibrations to be expected in order to facilitate the work.

NOTICE TO RESIDENT

Why: The City of Ottawa will be resurfacing roads as preventative maintenance aimed at extending the City's roadway network lifecycle.

When: This work is **expected to start in June 2021** and completion is anticipated by fall 2021. Work will take place between the hours of 9 am and 3 pm and 6 pm and 10 pm as required. Jeanne d'Arc Boulevard will remain open to traffic with lane closures expected.

Where: Work will occur along Jeanne d'Arc Boulevard South from Boyer Road to Champneuf Drive.

Who: The City of Ottawa has retained the Contractor, Ottawa D Squared Construction Ltd, to resurface Jeanne d'Arc Boulevard.

We encourage residents to contact the undersigned to identify and confirm that private irrigations systems have been disconnected or relocated. Damage may occur, should you choose not to relocate prior to our arrival.

Accessibility

Accessibility is an important consideration for the City of Ottawa. The City makes every effort to provide access through and around construction sites. If you require special accommodation, please contact the undersigned. Accessible formats and communication supports are available, upon request, at the following link: www.ottawa.ca/accessibleformat

Parking

As the various road reconstruction activities are in progress on your street, on-street parking will be restricted. In the event that access to your driveway is restricted due to construction activities, a Temporary On-Street Parking Permit (orange form) will be distributed to permit on-street parking within two blocks of your residence.

Construction Disruptions

The Contractor will take every precaution to minimize interruptions to the normal life of your family and/or operation of your business, but as you can appreciate, there may be some inconvenience during construction. We would like to thank you in advance for your patience and co-operation. For construction activity hours of work, the City of Ottawa follows provincial requirements and the City's Noise By-law (2017-255).

Contact Information

For any emergency outside normal working hours on weekdays and weekends, please call the City at 3-1-1. For further information about this project, please contact the City's Project Manager:
